

As a user, I want to be able to view the train's on-board facilities, such as food, Wi-Fi, and entertainment, so that I can plan my trip accordingly. Acceptance Criteria: The on-board facilities of the train are clearly displayed with information on food, Wi-Fi, and entertainment options. Users are able to view the available facilities for each train and coach. The information on the on-board facilities is accurate and up-to-date. Users are able to plan their trip accordingly based on the available on-board facilities.
